[1]The Century program also requires a course that counts towards MnTC Goal areas 7-10. It is recommended that students complete a course from the required Goal 5 or 6 courses that also meet one goal area 7-10. Additional coursework may be required dependent on course selection.

[2]CSP recommends against selecting COMM 1041 for the Century communications course as it will not count toward the communication general education requirement at CSP.

[3]CSP recommends selecting a MnTC course that contains a lab. Non-lab MnTC Goal 3 courses will not count toward natural science general education requirement at CSP.

[4]Century requires that Goal 4 courses must be numbered between MATH 1025 and MATH 1082 or PHIL 1041

[5]ART 106 will satisfy the second humanities general education requirement.

[6]CSP Requires one studio major elective and one printmaking major elective. While these Century courses have been approved for general ART major electives, it is not guaranteed that these courses will fulfill specific elective requirements.
